Dementia Friendly Cinema

Our next Dementia Friendly Cinema session is Wednesday 16 February, 1.30pm: A screening of Barefoot in the Park with tea and homemade cake served in the interval.

These sessions are suitable for people with dementia, those experiencing other illnesses or people who want to spend time with others, in a relaxed friendly environment. Although particularly designed to be accessible for people with dementia, these cinema sessions are open to everyone.

Fairtrade Fortnight

We are looking forward to celebrating Fairtrade Fortnight, which will take place 28 February until 6 March. We are very proud to be a Fairtrade town. Please keep checking the website or at the Town Hall to find out more, and please remember to choose Fairtrade products when you can.

Fuel Poverty

The Town Council has been granted funding from Western Power Distribution and Localgiving to support people who may be experiencing fuel poverty.

We look forward to sharing more information about the support available over the coming weeks.

There will be events within the Town Hall to provide more information and support.
