Profile: I have lived in Biddulph Moor since 1977 and was first elected as a councillor in 2011. I am a retired Project Manager. I have been chairman of the planning committee since 2014. I instigated the Biddulph Neighbourhood Plan, which will define policies to be followed for new developments in Biddulph. I also chair the group.

I have served on several Town Council committees and I'm also one of the Town Council Internal Monitors. I represent the Council, on both the Staffordshire Parish Councils Association and the Staffordshire Moorlands Parish Assembly. I have worked closely with the Biddulph Moor Community Association, helping with the organisation of the Well Dressing Celebration. I now am part of the small group which organises the Christmas Lights switch-on for Biddulph Moor.
