**Profile:** I am now in my fourth term as a Biddulph Town Councillor and a Staffordshire Moorlands District Councillor. I am an independent councillor and environmental issues are my main concern. I have spent the last 30 years as Chairman of Biddulph in Bloom, a local charity which carries out environmental enhancements within the town and surrounding areas. These projects have won awards from the National Britain in Bloom organisation over many years and gives the town its beautiful flower displays.

This is unpaid voluntary work which has brought positive changes to the town.

I enjoy working with schools and students doing Duke of Edinburgh awards, whose help I value immensely.
