

Biddulph Town Council Update

You can contact us at: 01782 498480 or email office@biddulph-tc.gov.uk

We also add regular updates to our Facebook page: 'Biddulph Town Council' or Twitter 'BiddulphTC'.

We also have a new instagram account: 'biddulph_town_council'

Every month we publish an Events Guide, listing the activities going on within the Town Hall. Pop in for a copy, and join one of the groups that meet here regularly.

We are enjoying all the incredible Festival events that are taking place throughout July. The Committee has worked really hard with local community groups to put on a wide range of events and opportunities. Well done everyone- it's been so lovely to have so many options available!

The Town Council is turning it's attention to events after the summer holidays.

On Friday 2 September we will host another Twilight Market. Join us from 3.30-7.30pm for food, drinks, craft and entertainment in the town centre.

We are looking forward to the third Classic Vehicle Show, which will take place on Saturday 10 September. The whole town centre will be full of amazing vehicles, entertainment and food. If you would like to register your vehicle, please contact us. The Mayor is also hosting a Beer and Music Festival that evening.

The Town Council wants to support local businesses to access as much funding and all opportunities that are available. It's easier to do this if we all work together. We were pleased to host the Staffordshire Chambers of Commerce at the Town Hall in the Spring. We will be hosting a meeting of local traders and businesses on 15 September. Please look out for more information.

Please add our next Dementia Friendly Cinema session to your diary on Wednesday 28 September, 1.30pm, with refreshments. These sessions are suitable for people with dementia, those experiencing other illnesses or people who want to spend time with others, in a relaxed friendly environment.

Looking even further forward, we are planning an Energy Saving Day on Saturday 8 October at the Town Hall. There will be speakers, stalls and freebies that will help us all as energy costs and the cost of living are set to rise again.

The main Town Council grant scheme has closed for this year. We were able to fund a wide range of local groups and innovative projects that will support people within our community. If you still need financial support for your group or project, the Town Councillor Grant Scheme opens after the summer, see the website for more information: <https://www.biddulph.co.uk/grant-awards-schemes/>

Here are the telephone numbers of the other Councils in the area:
Staffs Moorlands District (Council Tax, bins, Environmental Health) 0345 605 3010
Staffs County Council (Highways, Social Services, Libraries) 0300 111 8000
